

New Chamber Launch & Summer Promotion

We have been working hard over the last few months and are delighted to announce that the brand new range of 300L Front Loading Chambers are now available to manufacture and ready to order.

Maximum Performance - Minimal Footprint

To celebrate the launch of our new chamber range, we are offering a summer discount of an additional 5% off any new chamber orders placed in July 2022, from all of our ranges.

Just some of the benefits of our new chamber range:

- Ultra-Compact footprint
- Ideal for small test samples
- Same innovative technology we are known for
- Canopy available in 9 standard colours, others available on request
- Wide range of accessories available
- Sub Zero fridge pack sits underneath the chamber in the same footprint (ACC29/31)
- Customer driven design, you spoke, we listened.

What is needed to be eligible for this great offer?

- Place the order before 31st July 2022 – Its that simple!!
